About Us

The Water Management Consortium provides water level management services for Lindsey Marsh Drainage Board, the Isle of Axholme and North Nottinghamshire Water Level Management Board, Trent Valley Internal Drainage Board and Doncaster East Internal Drainage Board, managing 92 pumping stations and 2,400km of watercourse that protect assets across an area of 147,665 hectares.

We are dedicated to providing an effective and efficient service, managing water levels within the area to protect communities, farmland, wildlife, businesses and infrastructure. We have a reputation for delivering high quality services and innovative approaches to water level management challenges.

The Role:

Working with our Land Surveyor, the successful candidate will have some knowledge and experience of land surveying, and surveying/drawing systems.

You will be responsible for:

1. Assisting the WMC's Land Surveyor in carrying out land level and topographic surveys, and in producing technical drawings and plans, using CAD software.
2. Assisting with investigations and surveys into drainage and flooding problems and complaints.
3. Assisting in the day-to-day maintenance and management of the Consortium's GIS system and data.
4. Updating relevant asset management systems to support the effective operation of the Engineering team.

You will require knowledge and experience in the following areas:

1. Surveying equipment including Global Navigation Satellite System (GNSS) devices, Total station and optical levels/equipment. Experience of topographical surveying, use of GNSS, use of a total stations and optical equipment is desirable.
2. Good computer skills and some knowledge of relevant software, e.g. Computer Aided Design (CAD) software, e.g. AutoCAD or similar; and/or Geographic Information System (GIS) software e.g. ArcGIS or similar. Experience of successfully using the above systems and software is desirable.

3. Experience and knowledge of the Land Drainage industry and/or local areas is an advantage but not essential.

Further information regarding the role and requirements can be found in the Job description. If you wish to discuss the role further, please call 01507 328095.

If you are interested in applying for the position, please send a CV and covering letter outlining your suitability for the position to: Carol Davies, Corporate Services Manager, Water Management Consortium, Wellington House, Manby Park, Manby, LOUTH, Lincolnshire, LN11 8UU or email to enquiries@lmdb.co.uk
