

Trent Valley Internal Drainage Board

Water Management Consortium

LAND DRAINAGE OPERATIVES

Hours - 38 per week plus overtime subject to workload.

23 to 27 days leave

Bank Holidays and three additional Statutory Days

NEST Pension Scheme

Operatives required to join a small team working across the Trent Valley area providing flood protection and water level management for our local communities.

The role involves working outside in rural locations undertaking watercourse maintenance during the summer using a 360 excavator and/or flailmower and reforming, improvement and construction works during the winter. Full driving licence required.

To comply with environmental legislation, weedcutting cannot start before mid-July and longer hours are worked during the summer months. Operatives can also be called upon to respond during a flood event and this can involve working unsocial hours on occasion.

Other duties include:

- Manual handling
- Tree cutting
- Strimming
- Spraying
- Building headwalls
- Culvert installation

We are looking for applicants who:

- Are reliable and committed to providing a high standard of service.
- Have a professional and positive attitude.
- Are able to work on their own initiative as well as part of a team.
- Are self-motivated, with a positive attitude towards their work.
- Have a good attitude to health and safety.
