

## **Water Environment Worker Apprenticeships**

Relevant National Minimum Wage for Apprentices

23 days leave plus

Bank Holidays and 3 additional Statutory Days

Apprenticeship Term - 18 months

This interesting and versatile apprenticeship run by Bridgewater and Taunton College gives candidates a sound knowledge of the Land Drainage industry allowing them to undertake a wide range of roles. Apprentices will be required to attend a two-week block placement with on the job and online training thereafter. Candidates need to be self-motivated and keen to learn, with a positive attitude, and an interest in land drainage and water level management.

Lindsey Marsh Drainage Board and Trent Valley Internal Drainage Board are currently recruiting for Apprentice Land Drainage Operatives who will be enrolled on the Water Environment Worker Apprenticeship. The role is ideal for someone looking to work outdoors and with an interest in machinery.

Candidates will need a Level 2 in English and Maths and must have a driving licence as they will be required to travel to their local depot or work site each day.

The apprenticeship covers a comprehensive training programme including:

- Health and safety
- Maintenance/repairs of watercourses
- Pumping Stations
- Incidence response
- Environmental
- Confined spaces
- Managing water levels and flows
- General maintenance of plant and machinery.
- Liaison and public relations

If you are interested in applying for one of the two positions, please send a CV and covering letter marked Private and Confidential to: Mrs C. Davies, Corporate Services Manager, Water Management Consortium, Wellington House, Manby Park, Manby, LOUTH, Lincolnshire, LN11 8UU or email [enquiries@lmdb.co.uk](mailto:enquiries@lmdb.co.uk) If you require more information, please call 01507 328095.
